Interior Designer Jamie Blomquist of Expressive Designs Inc. worked closely with Artistic Tile dealer CERAMIC MATRIX in selecting tile for this lovely Florida residence. Artistic Tile's Seville Bianco #waterjet adds detail and character to one bath, while our Effervescence #mosaic in a custom blend lends life and energy to another. In the master bath, Blomquist and Ceramic Matrix customized our Veneto Waterjet mosaic with stunning Mother of Pearl inserts to create a mature, sophisticated focal piece. Finally, French Cava Cladding is used throughout the living room for a beautiful neutral effect. We love this project! Thanks to Ceramic Matrix for sending this in!
